**NATURE OF TOUR:** The Tour is a yoga, hiking, and wellness excursion in the Shenandoah Mountains region of the United States. Participants are strongly discouraged from joining the Tour in progress or leaving the Tour prior to its conclusion. Portions of the Tour could be considered rustic and rigorous and are best approached with a spirit of openness and adventure. Portions of the Tour are at moderate elevations and in remote locations, at which there may be no telephones or means of rapid evacuation in the event of emergency. Portions of the Tour may involve lengthy periods of standing, sitting, climbing stairs, hiking/trekking, or walking on unpaved surfaces. **Each participant is advised to consult with his or her medical specialist prior to departure and must advise the Tour Organizer in advance in writing of any condition that may require attention during the tour,** so the participant, with the assistance of the Tour Organizer, can make the necessary arrangements. On a Tour

of this nature, it is necessary for you to abide by the authority of the leader, who represents the Tour Organizer. The decision of the leader as to the conduct, itinerary and objectives of the tour is final. Signing our Tour Participant Agreement signifies your agreement to this. If in the opinion of the leader your behavior or physical condition is detrimental to the safety, welfare and well-being of you and/or of group as a whole (which are the paramount considerations), or if (in consultation with the trek medical person, if there is one) the leader considers your general well-being will be put at risk by continuing with the excursion, you may be asked to leave the tour without the right to any refund.

**Use of alcohol and illicit drugs is strictly prohibited.** Smoking is only permitted in a designated outside area. **Violation of these policies is subject to immediate dismissal from the Tour.**

Portions of this Tour may take place in remote areas where there is little or no access to normal medical services or hospital facilities for serious medical problems. Evacuation, where necessary, can be prolonged, difficult, and expensive. If medical and evacuation expenses arise they will be your responsibility. The Tour Organizer reserves the right in its absolute discretion to refuse a participant the right to participate in a Tour on medical or fitness grounds.
